

SHOOTING

Shooting sports are on the rise in this country. Archery and rifle, shotgun, and black-powder shooting are all popular.

The Boy Scouts of America has promoted safe shooting for many years. This month your troop can learn about one or more of the shooting sports and have a lot of fun.

If your Scout council camp has shooting ranges, you are encouraged to use them, under proper supervision from the council. Other possible resources are archery clubs, gun clubs, black-powder clubs, the military, law enforcement agencies, and community groups. Be sure to follow the guidelines on shooting sports as outlined in the *Guide to Safe Scouting*, No. 34416.

The highlight activity can be a weekend campout with emphasis on shooting sports. Stress good camping practices for the younger Scouts. Each patrol might be asked to prepare a special activity based on a particular outdoor skill.

SCOUTING OUTCOMES

This month's patrol and troop activities should give your Scouts

- The knowledge and skills to be comfortable in camp
- A sense of communion with nature and God
- A greater respect for the outdoors

- Increased self-confidence
- Improved skills in shooting sports and a knowledge of safety practices

ADVANCEMENT OPPORTUNITIES

By month's end, all Scouts should meet many of their basic camping and cooking requirements through First Class rank. Depending on the campout activities, they may also complete all or part of the following rank requirements:

Tenderfoot

- Outdoor—cooking, hiking, camping
- Citizenship—flag ceremonies
- Patrol/troop participation—patrol identification
- Personal development—Scout Oath and Law

Second Class

- Outdoor—cooking, camping, hiking
- Citizenship—flag ceremonies
- Patrol/troop participation
- Personal development—Scout Oath and Law

First Class

- Outdoor—cooking, camping, nature, hiking
- Citizenship—flag ceremonies
- Patrol/troop participation
- Personal development—Scout Oath and Law

Merit Badges. Older Scouts can concentrate on the Archery, Shotgun Shooting, and Rifle Shooting merit badges; they should be able to complete many of the requirements. Depending on activities during the campout, they may also complete requirements in Cooking, Hiking, Backpacking, Wilderness Survival, and other nature-related merit badges.

PARENT/GUARDIAN PARTICIPATION

The patrol leaders' council can involve parents in the program feature this month by

- Asking qualified people to assist with instruction for shooting skills
- Inviting parents on the campout
- Asking parents to provide transportation to the camp

PATROL LEADERS' COUNCIL

The patrol leaders' council should meet during the early part of the previous month to plan troop activities for this program feature. If you don't complete all items on the following agenda, continue planning at patrol leaders' council meetings after each troop meeting.

- Decide on a campsite for the campout. If permission will be needed, assign someone to secure it.
- Plan the special activities for the campout. See the ideas on these pages. If special gear or tools will be needed, assign someone to obtain them; ask the troop committee for help, if necessary.
- Inventory the troop's camping equipment, if it has not been done recently.
- Plan details of troop meetings for the month. Assign patrol demonstrations for the month, covering skills that will be needed for the campout activities.

FEATURE EVENT

Shooting Campout

The primary purpose of this campout will be to give the Scouts in your troop a positive camping experience and introduce them to a sport that is both safe and fun.

The campsite might be at your council camp, or perhaps you could use a military reservation or other site that is open to the public. This means you will need to present your campout as a clean and organized operation.

To encourage patrols to keep a safe, orderly campsite, conduct a formal site inspection sometime during the weekend. Scouts working on First Class rank will have an opportunity to complete a number of the outdoor-related requirements.

Campout Activities

There are many other possibilities for campout activities. The troop might concentrate on one outdoor

skill, such as pioneering, star study, fishing, orienteering, conservation, tracking and trailing, bird study, or nature. Or, especially if you have a lot of young Scouts, the patrol leaders' council might plan to have instruction and practice in a variety of basic outdoor skills—campcraft, outdoor cooking, estimating heights and distances, bow saw and ax safety, map and compass, and so on.

For good practice in basic skills, try the following contests from the Games section of *Troop Program Resources for Scout Troops and Varsity Teams*.

- String-Burning Race
- Knot-Tying Relay
- Blindfold Compass Walk
- Nature Scavenger Hunt
- Wet-Weather Fire Building
- Flagpole Raising
- Bow-Saw Relay
- Remote Clove-Hitch Tying

If your site has a large wooded area, the patrol leaders' council could plan a wide game, too. Most wide games require at least a half-square-mile and at least 30 minutes. The best known is Capture the Flag. Another good wide game is described below.

Commandant

The object of this night game is for one person, the Commandant, to keep the rest of the players from

making it back to home base in the dark. You will need a powerful flashlight. Establish a home base for the Commandant—a shed, boulder, or the Scoutmaster's car. The field area that you choose for play should be free of rocks, stones, and whatever else that could injure Scouts.

The Commandant stands at the home base and counts to 50 slowly, while the rest of the players scatter. Each player must touch two large, announced objects (tree, cabin, etc.) in the field of play before he is allowed to try to get back to home base. These two objects must be in the Commandant's field of vision and at opposite ends of the field (or at least 90 degrees apart). The Commandant turns on his light at the end of the count to 50, which starts the game. Players at this point may be no closer than 10 yards from a mandatory-touch object. The light may then be turned off or on as the Commandant chooses.

The Commandant may either stay near the base or roam far afield to try to catch someone. A catch is made if the Commandant spots someone and calls his name. In the initial stages of the game, a name must be called. Toward the end of the game, as Scouts are dashing toward home base, simply "hitting" a player with the light beam is enough for a catch. A successful player, upon touching the home base, yells, "Free!" A caught player walks back to home base and shares humorous insights with the growing number already there. The first person to make it back free is the next Commandant if the game is to be played again.
